MEMORANDUM FOR Legislative Liaison Officers

SUBJECT: Miscellaneous Information

Attached is an updated roster of Legislative Reference Division (LRD) personnel including room numbers and phone numbers. Notice that James C. Murr is the new Assistant Director for Legislative Reference and Gregory Jones is Acting Branch Chief for Economics-Science-General Government.

I have added phone numbers to the roster for LRD telecopier/facsimile equipment. It is important that you have material sent to the correct facsimile machine.

Also attached is an interim update of our Legislative Liaison Officers List. I will make a more complete distribution of a final list after January 1989. I will be contacting your office at that time to verify names, addresses and phone numbers. If you have name, address, and/or phone number changes now, please notify me of those changes.

The official mailing address for the New Executive Office Building has been changed to:

725 17th Street, NW
Washington, D. C. 20503

Use that address with the correct NEOB room number for all mail coming to LRD.

A handwritten signature in cursive script that reads "Martha R. Williams".

Martha R. Williams
Legislative Assistant
